

## **SIBLING DISCOUNT POLICY (Senior and Junior Schools)**

(This document is available on the school website or on request)

### **Sibling Discounts**

- A discount of 5% will be applied to the eldest sibling's fees when a sibling joins the school (each pupil effectively receiving a 2.5% discount). A third sibling will see a 2.5% discount added to the second sibling's fees, and so on. In this way, a sibling discount ceases when there is only one pupil left in the school.
- For the purposes of this policy, two pupils are siblings if they have at least one natural parent in common or if one of them has been legally adopted by the natural or adoptive parent of the other.
- Sibling discounts only apply when no pupil is in receipt of a scholarship or school assistance.
